To: All SGTD Customers

Dear valued Customers,

As those who are concerned are well aware , there are a significant number of clients containers which have been left in the Terminal by their owners for different reasons not related to the Terminal operations procedures:

- Customs documentations issues
- Suppliers payment and ownership issues
- Others

As of today, the Doraleh Terminal has about 352 Containers stored in the Terminal for more than 365 days (1 year).

In a will of releaving our customers the long overstaying storage cost, we decided under the authority of DPFZA to release all containers of more than 1 year of overstaying against 3 months storage cost payment.

We believe our customers will appreciate this good will on the Terminal cost and the clients will take prompt actions to clear the documentations and payments issues of these containers and take the containers out from the Terminal within a period 60 days.

Best regards,

Abdillahi Adaweh Sigad
Chief Executive Officer
