NOTICE TO ALL CUSTOMERS

Mandatory quarantine measures

Valued Customer,

Following the outbreak of the coronavirus, the Terminal has implemented quarantine measures. It is mandatory all vessels berthing at the Terminal shall be inspected by the Department of Health.

In the last week, we have faced delays at the start of the operations due to the considerable time of awaiting for the Health Officers to carry out all the necessary medical examinations.

The Terminal has exclusively provided a container for the Department of Health and these premises will be equipped by the Department in accordance with the required sanitary standards.

Therefore, it is mandatory that the Health Officer be present on site two hours prior to the arrival of the vessel in order to avoid delays of the Terminal operational activities.
