## **NOTICE TO ALL CUSTOMERS**

### **OCR SYSTEM LICENCE PLATES COMPLIANCE**

#### **Valued Customer,**

Following the circular N02/COM/CIR/SGTD/2022 and N010/CD/CIR/SGTD/2020, SGTD Doraleh Terminal urges all customers to comply with the visibility standard criteria of the OCR system for all trucks operating within the terminal. The plates of several trucks are still not visible. In order to continue the implementation of the OCR system properly, we urge you to comply with the circulars (see-attached circulars).

Please note the deadline for compliance with the licence plate standard is set to September 30th 2022.

All license plates will be checked beforehand at Gate Alpha and passed the deadline; trucks that do not meet the visibility standard criteria will be subject to a penalty.

Thus, we encourage carriers to comply with the formats cited in reference and count on your cooperation.
