CIRCULAR

FROM SGTD COMMUNICATIONS

N002/COM/CIR/SGTD/2023

February 08th 2023.

NOTICE TO ALL FREIGHT FORWARDERS

RN3 road rehabilitation

Disruption of traffic at the terminal entrance

Valued Customer,

We would like to inform all our customers that the Djibouti Roads Agency (ADR) is conducting rehabilitation works on the RN3 in front of the terminal, which will affect the terminal's main entrance and exit gate.

The trucks will be deviated from **Thursday 2nd February to Sunday 5th February 2023** in accordance with the attached deviation plan, proposed by ADR in cooperation with the SGTD management team.

The traffic of light vehicles (entering and exiting the terminal) will be diverted and subsequently regulated according to the attached plan. The terminal team will be assisting all drivers to enter and exit the gate safely.

There will be information boards and police security guards to assist and provide guidance to users along the route.

The trucks coming from PK12 will be redirected to the Djibouti road and therefore will ease their entry into the terminal.

SGTD would like to express its apologies for the inconvenience resulting from these disruptions and requests the support of its customers for the temporary restoration of the road to ensure smooth entry and exit of the terminal.

Thank you for your understanding.
