CIRCULAR

FROM SGTD COMMUNICATIONS

N001/COM/CIR/SGTD/2023

January 22th 2023.

NOTICE TO ALL FREIGHT FORWARDERS

Trucks blocked in the Terminal

Valued Customer,

SGTD Doraleh Terminal has noticed a recurring issue of trucks being blocked at the terminal exit when import shipments have been delivered from the terminal gate.

In this regard, terminal operations were affected by the numerous trucks blocked at the terminal exit by customs due to mis-declarations, thereby disrupting the terminal's traffic management.

In compliance with the tariff book, we are requesting the freight forwarder to take the necessary steps to prevent their trucks being blocked inside the terminal, failing which the terminal will proceed to charge the penalty.

This issue was communicated separately to the concerned freight forwarders for the necessary arrangements to be carried out.

As a reminder, please find below the terminal's tariff book section regarding this type of operations:
