NOTICE TO ALL CUSTOMERS
Maintenance Work at the Terminal Exit
Gate

Dear Valued Customers,

As part of our continuous commitment to improving service quality and operational efficiency, SGTD Doraleh Terminal would like to inform you that maintenance work will be carried out on the Main Exit Gate of the Terminal.

Starting from August 09, 2025, traffic through the Gate OUT will be closed until the completion of the project on August 29, 2025. During this period, the normal traffic flow will be slightly disrupted, and all truck exits will be redirected through the Gate IN Alpha.

To ensure smooth operations and minimize inconvenience, a dedicated support team will be on-site to guide and assist all drivers to the alternative gate.

We thank you in advance for your understanding and cooperation.

Should you require further information, please do not hesitate to contact us:
