VBS Registration 2026 - Process extension

Dear Valued Customers,

Further to our previous notice communicated on 12th February regarding the mandatory registration of trucks in the Vehicle Booking System (VBS) for 2026, and the several reminders issued prior to the implementation of this process, please be informed of the following:

We are granting an additional **fifteen (15) days from 03rd to 18th March 2026**, to allow you to submit any pending documentation:

- Vehicle Registration Card (Carte Grise)
- Valid Insurance Certificate
- Patente of the Transporter (Article 91 of Law No. 42/AN/08/6ème L)

Please note that the above requirements are mandatory for processing the registration of your trucks in our system. Beyond this extended deadline, the Terminal will not be able to issue VBS bookings for any trucks that has not been duly registered and validated in the system.

We count on your full cooperation to ensure smooth operations and compliance with SGTD procedures. Should you require any clarification or assistance, please do not hesitate to contact us at: T: +253 21 317 317 E: customercare.dct@dct.dj

Thank you for your understanding and continued collaboration.
