NOTICE TO ALL SHIPPING LINES

Standard Transshipment Stevedoring Tariff

Valued Customer,

SGTD Doraleh Terminal wishes to inform all shipping lines and representatives of NVOOC that the standard transshipment tariff applicable to customers operating without a Terminal Agreement will be invoiced on a per-move basis instead of the current full-cycle basis.

Under this new structure, the existing bundle rate (full cycle) charges will simply be divided into two to determine the per-move rate and will have no financial impact on the overall charges. This adjustment is being implemented to standardize our invoicing structure and further improve billing efficiency.

Please note that this new billing structure will become effective on **15th May 2026**.

Should you require any clarification, please do not hesitate to contact us.
